

British Society for Proteome Research

Proteomic Approaches to Health and Disease

University of Glasgow, 25 – 27 July 2016

Confirmed speakers

- Matthias Mann (Munich)
- Rob Beynon (Liverpool)
- David James (Sydney)
- Matthias Hentze (Heidelberg)
- Judit Villen (Washington)
- Maria Martin (Cambridge)
- Frank Schmidt (Greifswald)
- David Eckersall (Glasgow)
- Chris Sander (Boston)
- Xavier Druart (Paris)
- David Matthews (Bristol)
- Harald Mischak (Glasgow)

Registration & Abstract Submission

<http://www.bspr.org/node/527>

- Reduced registration rates for BSPP and BMSS members
- 26 talks selected from Abstracts
- Young Investigator Award and Poster Prizes
- Conference Student Bursaries
- Breakfast Educational Sessions
- Networking Opportunities
- Conference Dinner

Topics

- Advances in Proteomic Technologies
- Cancer Proteomics
- Bioinformatics
- Infectious disease and Microbiome
- Nutrition, Lifestyle & Food security
- Translational Proteomics
- Development and ageing
- Integration Omics
- Metabolic /Neuro/Vascular disease
- Vendor Talks

Scientific Committee:

Sara Zanivan (chair), Karl Burgess, Richard Burchmore, Rob Beynon, Kathryn Lilley, Andy Pitt

Organising Committee:

Karl Burgess (chair), Josie Beeley, Richard Burchmore, Chris Sutton, Sara Zanivan
