NEWSLETTER – October 2013

BSPR 2013 Annual Scientific Meeting Update...

(For full information see –<http://www.bspr.org/2013meeting>)

The Conference (University Park, Nottingham) begins on Tuesday 3rd December with Registration opening at 8:00 am followed by the welcome address at 9:30 am, and will close on 4th December at 15:45 pm. An outstanding program awaits you and this is a great opportunity to meet other BSPR members. Please circulate this information to your colleagues and other members of your group now.

- **Rob Russell (Keynote Speaker, Heidelberg):** Identifying sites where post-translational modifications regulate the interactome from proteomics and structural data;
- **Perdita Barran (Edinburgh):** An MS based framework to determine protein structure;
- **Pedro Cutillas (London):** Mechanisms of signalling plasticity and heterogeneity that contribute to cancer drug resistance;
- **Richard Goodwin (Manchester):** Mass spectrometry tissue imaging and profiling: Finding the right roles in pharmaceutical R&D;
- **Matthias Gstaiger (Zurich):** Challenges in the analysis of dynamic signaling complexes;
- **Jeroen Krijgsveld (Heidelberg):** Labeling and enrichment strategies for the analysis of protein synthesis and secretion;
- **Shabaz Mohammed (Oxford):** Struggling towards a comprehensive characterization of phosphoproteomes;
- **Juri Rappsilber (Edinburgh):** Conformational changes of multi-protein complexes determined by mass spectrometry;
- **Zoltan Takats (London):** (TBA);
- **Marius Ueffing (Tubingen):** Quantitative analysis of protein complexes over space and time;
- **Michiel Vermeulen (Utrecht) :** Quantitative interaction proteomics for epigenetics.

Late Breaking abstracts: Now being accepted. Further details and abstract submission guidelines can be found via <http://www.bspr.org/2013meeting>. **Submission deadline – Friday 1st November 2013.** **Registration:** special (subsidised) registration rates (including meals) for members (£200) and student members (£130) in good standing by 21st October 2013.

Annual General Meeting: The 2013 AGM will be held on Tuesday 3rd December at BSPR 2013 in Nottingham. Calls for nominations are being circulated to members in good standing.

Functional Proteomics:

from Proteins to Organisms

3-4 December 2013, Nottingham
